I haven't received comments on St Louis Park yet. I asked about the status a last week and brought it up again at our team meeting yesterday, so hopefully I'll hear from the SAM soon.

That sounds great. I have been asked about the review of the St. Louis Park ESI report. Any thoughts?

Hi Greg,

Overall the revisions provided for Northern Heights Mine Dump PA you provided in Spring are acceptable. We have a few remaining comments, but wanted to check to on MPCA's preferred recommendation before determining whether to address before we finalize.

Thanks,
Pat
